

AMBALIKA INSTITUTE OF MANAGEMENT & TECHNOLOGY

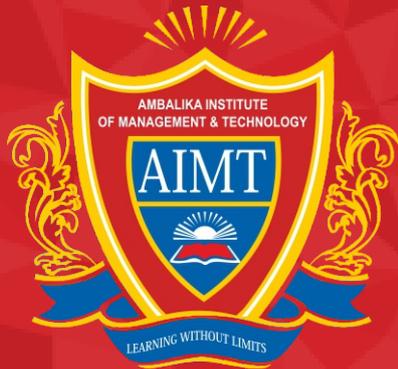

CSE Program Achieves Prestigious NBA Accreditation
Accredited from July 2025 through December 2028

INSTITUTIONAL VISION & LEADERSHIP

Established in 2008, AIMT Lucknow is a premier 200– acre lake-front campus dedicated to bridging the gap between academia and industry. Through our Center of Excellence, we equip engineers with high-end technical skills and global certifications.

- "Celebrating Excellent Placements for the Batch of 2026!"
- "Students Shine in National-Level Hackathons and Research Conferences."
- "Annual Fest 2024: A Fusion of Talent and Culture."
- "Alumni Making Waves in the Industry!"

CHAIRMAN'S MESSAGE

It fills me with immense pride to witness the steady growth of the Ambalika institute of Management and Technology. Our institution has always strived to create a nurturing environment that empowers students to excel academically and innovate technologically. This year has been a testament to our collective efforts, reflected in our notable successes in research, cultural pursuits, and placements. At Ambalika, we are not just shaping careers; we are building futures. Let us continue to uphold the vision of excellence and innovation that defines us

*With best wishes and blessings,
Mr. Ambika Mishra*

MR. AMBIKA MISRA
CHAIRMAN, AIMT

Message from the Director General

Dear Students, Faculty, and Well-Wishers,

As we look back on the transformative year 2025, my heart swells with immense pride for the remarkable accomplishments of our Ambalika family. From stellar academic performances and cutting-edge research to vibrant cultural events and entrepreneurial initiatives, our institute has once again redefined excellence in education and innovation.

This year brought us outstanding achievements, such as state-of-the-art infrastructure upgrades, record-breaking placements, and accolades at national forums. These triumphs reflect the unwavering commitment and synergy of our talented students, dedicated faculty, and supportive staff.

Moving forward, we are steadfast in cultivating a dynamic ecosystem that sparks Innovation, Leadership, and all-round growth. May this newsletter illuminate our shared successes and fuel our aspirations for the future.

Warm regards,
Dr. Syed Qamar Abbas
Director General, AIMT

Message from the Director

Dear Students, Faculty, and Well-Wishers,

As we reflect on the academic year 2025, I am filled with pride at the achievements of our vibrant Ambalika community. From academic excellence to innovative projects, cultural celebrations to research breakthroughs, our institute continues to set benchmarks in education and innovation

This year, we witnessed significant milestones, including infrastructure advancements, successful placements, and national recognition in various domains. These achievements are a testament to the collective dedication of our students, faculty and staff.

Looking ahead, we remain committed to fostering an environment that nurtures creativity, critical thinking, and holistic development. Let this newsletter serve as a window into the incredible journey of our institute and an inspiration for the path ahead

Warm regards,
Prof. (Dr.) Ashutosh Dwivedi
Director, AIMT

Message from the Additional Director

Dear Readers,

In gives me immense pleasure to present this newsletter, capturing the essence of our academic and co-curricular endeavors for the year 2025. At Ambalika, we believe in equipping our students not only with technical knowledge but also with the skills and values essential for shaping a better future.

This year has been transformative with groundbreaking research, student led initiatives, and enhanced industry collaborations. As we celebrate these achievements, I encourage each one of you to continue striving for excellence and embracing innovation

I extend my gratitude to all contributors of this newsletter for beautifully encapsulating the spirit of our institution. May this publication inspire and motivate everyone associated with Ambalika

Best wishes,
Prof. (Dr.) Shweta Mishra
Addl. Director, AIMT

2025 Highlights at a Glance

- 📌 Our collective efforts this year have resulted in notable successes across multiple pillars.
- 📌 **Innovative Research:** Breakthroughs led by our dedicated faculty and students
- 📌 **Career Placements:** Strong recruitment drives connecting our graduates with industry leaders
- 📌 **Cultural Pursuits:** A vibrant campus life fostering creativity and personal growth
- 📌 **Nurturing Environment:** Continued investment in infrastructure to empower student innovation

Infrastructure & Innovation Update

Ambalika Institute continues to invest in world-class facilities to ensure a holistic and future-ready learning environment. Below are the latest developments in our campus infrastructure:

Ambalika Horse Riding Club

Drone Technology Lab

Renovated Library Facilities

Ambalika Horse Riding Club:

The Ambalika Horse Riding Club was established at the Ambalika Institute to promote equestrian sports and foster a love for horse riding among students and the local community. Focus: The club emphasizes skill development, confidence building, and a deep appreciation for horses.

A Hub for All: It serves as a hub for horse riding enthusiasts of all levels. *Facilities:* The club features state-of-the-art facilities, including well-maintained stables and professional riding arenas.

Experience: A picturesque outdoor riding track provides an ideal environment for both novice and experienced riders to hone their skills.

Drone Technology Lab

We are ushering in the next era of engineering with specialized technical facilities. *Future-Ready Learning:* Plans are currently underway to establish a state-of-the-art laboratory dedicated to Drone Technology.

Hands-on Training: This facility is designed to provide students with practical, hands-on learning opportunities in unmanned aerial systems.

Renovated Library Facilities

The heart of our academic research has been upgraded to meet modern standards. *Enhanced Spaces:* The library has been renovated with enhanced reading spaces

Digital Integration: Students now have expanded access to digital journals and global

Research Support: Improved infrastructure has been implemented to better support intensive academic research and study.

Strategic Collaborations & Industry Milestones

We are thrilled to share some significant updates regarding our growing network of partnerships and recent accolades that continue to enhance our academic ecosystem.

Expanding our Global Reach

- *To provide our students and faculty with world-class opportunities, we have officially signed Memorandums of Understanding (MoUs) with several prestigious institutions and industry giants:*
- *Academic Partners: Kalinga University, International Benevolent Research Foundation, and Mendel University in BRNO, Czechia.*
- *Industry Leaders: Tata Consultancy Services (TCS) and Infosys.*
- *These partnerships are designed to bridge the gap between academia and industry, facilitating international faculty exchanges, immersive internships, and premium placement opportunities for our students.*

Recognized Excellence: IIT Kanpur's "Best Nodal Center"

- *We are proud to announce that AIMT has been recognized as the "Best Nodal Center" for 2025 by IIT Kanpur. This prestigious award highlights our commitment to digital literacy and technical excellence in education.*

Empowering Learning through Virtual Labs

As a Nodal Centre, we are championing the shift toward flexible, high-tech learning. The Virtual Labs initiative is built on the belief that laboratory experiments can be taught more efficiently and cost-effectively via the internet.

Why Virtual Labs?

Accessibility: Students can access experiments anytime, anywhere **Inclusivity:** Benefits learners who may not have physical access to specialized equipment.

Innovation: Provides a digital environment to master complex concepts without the constraints of a physical workspace.

Prof. Kantesh Balani
PI, Virtual Laboratory at IIT Kanpur
Department of Materials Science & Engineering
Indian Institute of Technology Kanpur,
Kanpur-208016, Uttar Pradesh, India

Date: Jan 13, 2025
Place: Kanpur

TO WHO SO EVER IT MAY CONCERN

This is to certify that the **AMBALIKA INSTITUTE OF MANAGEMENT AND TECHNOLOGY, LUCKNOW** has been recruited as **Official Nodal Center** of Virtual Laboratories at **Indian Institute of Technology Kanpur** under MoE's initiative of Virtual Labs project with Prof. Kantesh Balani as the Principal Investigator. As recommended by you, **Dr. Jitendra Kurmi** has been nominated as the Nodal Coordinator from your college. This approval is valid up to 31st Dec 2025 and is subject to the Terms & Conditions attached and any subsequent directives as issued by MoE.

Your institute is required to conduct virtual lab workshops and encourage faculty and students at your institute to use Virtual Lab to its fullest potential. If needed, the repository of the experiments may also be involved in your Institute's course curriculum. Principal investigator will be available in case of any assistance that you might require in hosting lectures or workshops without any financial support. Ensure that the Virtual lab usage along with the number of workshops are intimated to Mr. Dhananjay Umrao (umraadhananjay@gmail.com) every three months.

We welcome you to the Virtual Lab family.

Best regards

Prof. Kantesh Balani
PI, Virtual Laboratory at IIT Kanpur

Spotlight on Academic Excellence

We are thrilled to announce the remarkable achievements of our students in the recent university examinations. Their dedication continues to set new benchmarks for the institute.

The Rama Misra Memorial Award

Congratulations to **Muskan Singh** from the **CSE-AIML** department!

Achievement: Secured the top rank in university examinations across all courses.

Recognition: Honored as the Overall Topper of the Institute. Award: Prestigious Rama Misra Memorial Award and a cash prize of ₹ 51,000.

Meritorious Student Recognition & Scholarships

- To support and encourage academic brilliance, the institute has awarded significant tuition fee waivers to our top performers:
- 90% and Above: 5 students achieved over 90% in end-semester theory examinations, receiving a 40% tuition fee waiver.
- 85% to 89.99%: 20 students secured these marks, earning a 20% tuition fee waiver.

Social and Environmental Initiatives (NSS & NEP Cells)

Green Campus Drive: The College organized a tree plantation campaign, adding 500+ saplings to the campus.

Blood Donation Camp: A successful blood donation camp was conducted in collaboration with the Red Cross Society, with active participation from both students and staff.

NSS Eye Checkup Camp: The National Service Scheme (NSS) unit of Ambalika Institute of Management & Technology successfully organized an Eye Checkup Camp with the motto "Not me but You."

Unnat Bharat Abhiyan: Under the NEP, Unnat Bharat Abhiyan is an initiative aimed at rural development by the Ministry of Education, Government of India. As part of this program, Ambalika successfully conducted a knowledge-based transformational exercise to support and uplift rural communities.

NCC

(National Cadet Corps)

Ambalika Institute of Management and Technology in Mohanlal Ganj is committed to academic excellence while promoting a variety of activities that contribute to the holistic development and well-being of its students. The NCC is one such initiative aimed at enhancing the physical, mental, and emotional well-being of the student community. Established in 2022, the NCC facilitates both intramural and extramural programs at the university. Additionally, the NCC supports cadets in obtaining B and C Certificates through examinations, thereby enhancing their future prospects and career opportunities.

Empowering Future IT Leaders:

AIMT CSI Student Chapter 2025

We are proud to announce the successful launch of the AIMT CSI Student Local Chapter for 2025.

The initiative saw an overwhelming response, with 87 students enrolling in the first round and an additional 60 students joining in the second round, bringing our growing community to 147 aspiring tech professionals.

The Computer Society of India (CSI) stands as the nation's largest professional body for Computer Science and IT experts, maintaining a vast network of student chapters across prestigious universities and colleges.

This chapter serves as a premier platform for our students to:

- **Learn and Innovate:** Engage with cutting-edge workshops and seminars.
- **Compete and Create:** Participate in high-stakes coding contests and hackathons.
- **Network:** Connect with industry veterans and peers through expert talks and networking events.
- **Build Careers:** Develop leadership skills and technical readiness in AI, Cybersecurity, and Web Development.

*This successful chapter launch was executed under the expert guidance of **Dr. Krishna Nand Mishra (Associate Professor, CSE Department).***

Industrial Tours, Visits & Workshop

In 2025, several industrial tours and visits were organized to enhance the practical learning of the students. Recently, Students visited Manali dated 8/12/25-11/12/25 where they explored various aspects and real time operations. It was a great learning opportunity for our MBA students to visit on Banas Dairy on 17/11/25. The visit provided valuable exposure to real-time business operations, modern management practices, and industry expectations. Students interacted with professionals, gained insights into organizational structure, production processes, and strategic decision-making, and understood how theoretical concepts are applied in the corporate world. The experience was highly enriching and will surely contribute to their professional growth, confidence, and future careers. We extend our sincere thanks to the organization for their warm hospitality and support.

Excellence in Research & Leadership: Faculty Achievements

Ambalika Institute of Management and Technology (AIMT) takes immense pride in its dedicated and highly qualified faculty and staff. Their unwavering contributions continue to enhance our educational standards and drive the institution's overall growth. The academic year 2025 has been defined by remarkable milestones that reinforce Ambalika's position as a leader in innovation and academic excellence.

Scholarly Contributions & Global Recognition

Our faculty members are deeply committed to meaningful research that advances their fields and enriches the classroom experience for our students. Key highlights include:

High-Impact Publications:

20 faculty members across various departments at AIMT successfully published their research in SCOPUS-indexed Taylor & Francis journals, demonstrating our commitment to rigorous academic standards

International Representation:

Our leadership continues to represent AIMT on the world stage. Ms. Aradhana Misra (Vice-Chairperson) and Dr. Shweta Mishra (Additional Director) presented their research paper, "Evolution of Tourism Policy in India," at the prestigious International Conference on Business & Technology (ICBT Cardiff 2025).

AIMT Faculty Shine Bright: 80% Honored with Excellence Certificates & Groundbreaking Achievements in 2025!

We're thrilled to spotlight the outstanding accomplishments of our faculty in 2025. Around 80% of our faculty members received Certificates of Excellence for exceptional results, based on CP (O) performance and student theory exam averages. Here's a roundup of key highlights:

PhD & Research Milestones

Dr. Shivangi earned her Doctor of Philosophy (Ph.D.) in Civil Engineering. She published two research papers in SCI-indexed journals and remains an active Associate Member of the Institution of Engineers (India) [IEI].

NPTEL Course Completions

Dr. Krishna Nand Mishra completed "Introduction to Internet of Things" (NPTEL IIT Kharagpur) with a 65% consolidated score.

Ms. Arunima Singh aced "Research Methodology" (NPTEL – IIT Madras) with 81% and "Financial Literacy" (INI-BHU) with an impressive 94%.

Ms. Rashmi Neekhra (Computer Science) completed "Research Methodology" (NPTEL– IIT Madras) with 81%

Ms. Nikhat Firdosh (Assistant Professor, MBA) earned Elite + Silver Certification in Machine Learning and Project Management (NPTEL)

Publications & Innovations

Dr. Krishna Nand Mishra published:

"A Comprehensive Study on Caching Mechanism in Machine Learning Workflows" in International Journal of Basic and Applied Sciences.

Enhancing Healthcare Security with Blockchain-Powered Smart Contracts" in Journal of Theoretical and Applied Information Technology.

Ms. Km. Divya (Computer Science & Engineering) registered a Design Patent: "Machine Learning Based Device for Enhancing Computer Network Safety"

Faculty Development Programs (FDPs)

Mr. Naynish Pandey attended FDP on Applications of AI in Civil Engineering (July 2025)

Er. Gaurav Patel and **Mr. Livingston Jeeva** attended FDP on "Blockchain and its Applications" (November 2025)

Global Perspectives: International Conference on AI Theme: Challenges & Opportunities in Artificial Intelligence: Engineering & Management Applications

On March 7th and 8th, 2025, AIMT successfully hosted a landmark **International Conference**. **Convened by Dr. Shweta Mishra (Add'l Director, AIMT)**, the event bridged the gap between academia and industry.

The conference explored the transformative power of AI across engineering, healthcare, and finance, fostering a spirit of global collaboration and innovation among researchers and practitioners

Campus Life & Traditions

Alumni Meet 2025: Strengthening Bonds

Our alumni meet is a cornerstone event that brings together former students to reconnect, reflect, and celebrate their enduring journey with AIMT. It's a vibrant platform where graduates reunite with cherished friends, esteemed faculty, and the institution that shaped their early careers and personal growth. The event seamlessly blended formal discussions with engaging social gatherings. Alumni seized the opportunity to expand their networks, share invaluable career insights, and offer mentorship to our current students. They also gained updates on the college's latest advancements and exciting future plans.

This gathering powerfully reinforced a strong sense of community and pride, solidifying the lifelong connection our alumni share with their alma mater. For AIMT, it was a valuable occasion to fortify our alumni network, which is instrumental in driving initiatives like fundraising, securing internships, and enriching the overall student experience. Our alumni departed with a renewed sense of gratitude and nostalgia, carrying with them fond memories while actively contributing to the ongoing development of both the institution and its future leaders.

A Warm Welcome: Freshers' Party 2025

AIMT celebrated the arrival of its new batch on November 8th with a grand Freshers' Party featuring student performances and the Mr. & Ms. Fresher pageant. The event highlighted campus excellence, awarding cash prizes and certificates to meritorious students and SDC leaders. A special highlight was the recognition of the Horse-Riding Club, whose members earned a ₹15,000 tuition fee waiver for their commendable service. It was a night of lasting memories and a warm start to the academic year.

Anti-Ragging Day: Building a Safe & Inclusive Campus

AMBALIKA INSTITUTE
OF MANAGEMENT & TECHNOLOGY

#RaggingFreeCampus

**SAY NO TO
RAGGING**

ANTI RAGGING DAY

"Don't just stand and watch. Stop Ragging! Show Character"

ANTI RAGGING WEEK - 12th - 18th August

Ambalika Institute of Management & Technology proudly observed Anti-Ragging Day, reaffirming our steadfast commitment to maintaining a strictly **"Ragging-Free Campus."** The event was dedicated to raising awareness about the adverse effects of ragging and empowering students to foster a culture of mutual respect.

Guided by the powerful slogan "Say No to Ragging," students were encouraged to be active upstanders rather than passive bystanders. The initiative called upon the Ambalika community to demonstrate their character and mettle by standing firmly against such behavior.

To further this mission, the institution announced Anti-Ragging Week (12th August – 18th August 2024). This week-long initiative featured:

Awareness Campaigns: Spreading the message of safety across every department.

Counselling Sessions: Providing professional support and guidance for all students.

Interactive Programs: Creating a welcoming environment that ensures every new student feels safe, supported, and at home.

AARAMBH: The Spirit of Sportsmanship

AARAMBH, AIMT's dynamic inter-college sports meet, ignites athleticism, sportsmanship, and healthy competition on our vibrant campus. Students from various colleges and universities converge to showcase their prowess in 14 sports, from track-and-field to team games—welcoming both competitive stars and recreational players.

This electrifying event fosters physical fitness, teamwork, leadership, and camaraderie. The campus buzzes with contagious energy as our community cheers on participants, turning "AARAMBH" into a celebration of unity, pride, and the pure joy of sport—beyond just wins and losses.

It underscores AIMT's commitment to holistic student development and an active lifestyle.

Quick Stats:

Dates: November 19–20, 2025

Sports: 14

Participants: 400+

Patriotism in Focus: *Independence Day & Republic Day*

The Ambalika family came together with great enthusiasm to celebrate India's national pride, reflecting a deep sense of unity and institutional spirit. These patriotic events serve as a reminder of our shared heritage and the values that bind us together.

Event Highlights:

Ceremonial Flag Hoisting: *The National Flag was hoisted by Chairman Mr. Ambika Mishra, Director Dr. Ashutosh Dwivedi, and Additional Director Dr. Shweta Mishra.*

Words of Wisdom: *Faculty and student leaders delivered inspiring speeches that resonated with the themes of leadership and national service.*

Cultural Showcase: *Students presented powerful performances depicting India's rich cultural diversity and the historic struggle for freedom.*

CLUBS & SOCIETIES: FOSTERING EXCELLENCE BEYOND THE CLASSROOM

At Ambalika Institute of Management and Technology (AIMT), student clubs and societies are integral to the college experience. They offer a diverse range of benefits that enhance personal development, academic growth, and social interaction.

Below is a detailed look into the vibrant activities and leadership of our various organizations during the academic year 2025–2026.

Enigma Club – Software and IT Society

The **ENIGMA Club** is dedicated to cultivating advanced programming, problem-solving, and software development skills. By bridging the gap between classroom theory and industry practice, the club fosters technical proficiency and a deep understanding of modern methodologies.

Key Initiatives:

Python Coding Marathon: A highly successful event that saw enthusiastic participation from over 200 students.

Git & GitHub Workshop: Conducted on June 10, 2024, providing students with essential hands-on experience in version control and collaborative software development.

Student Development Council (S.D.C.)

The Student Development Program at AIMT brings together a diverse range of societies spanning arts, culture, and technology, supporting holistic student growth beyond academics. These initiatives nurture creativity, emotional intelligence, and practical skills essential for today's workforce.

Core Objectives of the SDC:

- Skill & Leadership Development:** Building professional competence and leadership capabilities.
- Engagement & Support:** Organizing student activities and providing a platform for guidance and advocacy.
- Social Impact:** Promoting community outreach and collaborative networking initiatives.

The SDC Societies

Performing & Fine Arts: Dance, Music, Dramatic, and Fine Arts Societies Media & Creative: Film, Photography, Creative, and PR & Media Societies Social & Intellectual: Enactus, Quizzing, Nature, and Sports Societies

SDC Leadership & Office Bearers

The Council is guided by dedicated faculty and student leaders who ensure the success of every

IEEE Student Branch

The on-campus **IEEE Student Branch at AIMT–Lucknow** strives to elevate the student community's technical learning experience. It serves as a gateway to the global IEEE network, encouraging students to utilize membership benefits such as scholarships, competitions, and conference grants.

Mission: To provide networking opportunities with peers, academicians, professionals, and scientists from various institutes and global sections.

Key Activities

Technical & Creative Challenges:

Ideathon, Tech Quiz Competitions, and Debate Competitions.

Engagement & Recreation:

Open Stage performances, E-Gaming tournaments, and Treasure Hunt

IEEE

Note from the Editors

Message from the Dean Academics & Editor-in-Chief

Dr. Abhishek Mishra

As we look toward the future, Ambalika Institute of Management and Technology remains steadfast in its commitment to nurturing the leaders of tomorrow. Our core emphasis on academic excellence, groundbreaking innovation, and holistic development ensures that our students are equipped not only with essential knowledge but also with the versatile skills required to thrive in a rapidly evolving global landscape.

I am immensely confident that the Class of 2025–26 will continue to uphold our institution's legacy of excellence and make us proud as they embark on their professional journeys.

Mrs. Priya Verma

"It is with great pride that we present this edition of the AIMT Newsletter. Our goal has always been to create a platform that captures the pulse of our institution—highlighting the intersection of academic rigor and creative exploration."

Ms. Pooja Cheema

"Curating the stories, achievements, and events for this academic cycle has been a rewarding journey. This newsletter is more than just a collection of reports; it is a reflection of the hard work and passion that defines the student experience at Ambalika."

Acknowledgement

As we conclude this edition of our newsletter, we wish to express our sincere gratitude to everyone who has contributed to the collective successes and achievements at the Ambalika Institute of Management and Technology. Our heartfelt thanks go out to the management, faculty, staff, and students for their unwavering dedication and hard work. It is your commitment that drives our institution forward.

We look forward to another year defined by academic excellence, innovation, and growth. Together, let us continue to strive for even greater success!
